

A collection of stories from CCS partners around the United States

PARTNER HIGHLIGHT

CCS provides critical services throughout the nation to a variety of industries. We are excited to share this review from one of our partners, whose work focuses on developing cancer immunotherapies and various types of genetic engineering.

“It has been an absolute pleasure working with Controlled Contamination Services – from submitting the initial inquiry to meeting our support team; we feel very well taken care of. Thank you so much for all your help during the transition.”

- Biopharmaceutical Partner, West Region

CCS VALUES

CCS's mission statement is "we service the companies that impact the world." To achieve this, we follow the values of teamwork, service, partnership, and impact.

Teamwork

Empowered professionals, highly trained, motivated, diverse, inclusive

Service

Safety, quality, exacting standards, reporting, innovation

Partnership

Aligned goals, communication, trust, growth

Impact

Mission and purpose, connecting community, fairness, sustainability and lasting value

ISPE BOSTON PRODUCT SHOW

The ISPE Boston Product Show represents the best in the Life Science and the Biopharmaceutical industries. In September, Brian Weed, VP, Sales, and Kelly Perna, Business Development Manager, attended this event on behalf of CCS. While educating CCS's practices to the show's attendees, they acquired multiple leads, met with familiar faces, and have sent out several quotes in the weeks since.

CCS CONNECT

Due to the changing realities of today's work environment, ensuring employees and partners are kept up to date with the latest information is more critical than ever before. CCS is releasing monthly briefs, "CCS Connect," to our partners to ensure they know how CCS handles highly specialized situations with our process and our plans to ensure proper execution of services. If you would like to stay connected with CCS and our updates, please visit our website for more information! You can also subscribe to CCS emails. Thank you for being a valued partner of CCS.
